

ARMED FORCES FLAG DAY
7TH DECEMBER 2024

The Armed Forces Flag Day holds immense significance as an annual event that reminds every citizen, both in India and abroad of the values, dedication and sacrifices demonstrated by our brave soldiers.

The Armed Forces play a pivotal role not only in safeguarding the country from insurgencies and terrorism but also in providing crucial assistance during natural disasters and humanitarian crisis. Their swift and coordinated efforts during natural calamities like floods, earthquakes and other emergencies are a source of pride and reassurance for the nation. Furthermore, the presence of our troops in international peacekeeping operations under the banner of the United Nations has earned India global recognition as a responsible and peace-loving nation.

On this solemn occasion, I urge the people of Tripura to come forward and contribute generously to the Armed Forces Flag Day Fund. This fund plays a crucial role in supporting the welfare of ex-servicemen, war widows and families of soldiers who made the supreme sacrifice for the nation.

Together, let us express our solidarity and gratitude to those who have sacrificed their present for the future of our country.

Jai Hind

[Prof. (Dr.) Manik Saha]
